## EDUCATION

**Universal MSG-SGKM College**, Mumbai

Bachelor of Science in Computer Science, 2024

- GPA: 8.50/10

## PROJECTS

**College Complaint System | Sem VI | Jan'24**

- The main objective of this project is that particular university students and teachers can access the Grievance system for their issues. In this grievance system, students and teachers can deal with any type of complaint, issues, or doubts. The system will ensure the problem solved as soon as possible.

**Student Management System | Sem V | Jun'23**

- The main objective of this project is to develop a centralized database with a user-friendly interface for managing student information, improving data accuracy and reducing manual effort, while enhancing communication and ensuring data security through robust authentication and access control mechanisms.
